

# Cecile

*eee*

My name is Cecile and I am the French teacher in the bilingual program, Les Coccinelles.

I joined the Renown team in October 2017. I am French and a mother of three children. I have been teaching in France since 2002 and became a trainee teacher in Early Childhood in 2015.

I love teaching arts, science and literacy to young children. The French bilingual program has given me the chance to work together with an Australian qualified teacher and to come up with the best of both worlds from the French curriculum and the Australian framework for early childhood.

It is amazing to see our 3-4yo students blossom in two languages! I am passionate about my work and dedicated to the children I am working with in this wonderful environment that is Renown Kindergarten.
