

IRENA

Hello!

My name is Irena, and I've been part of the Renown Kindergarten team since 2023, where I work as an Early Childhood Teacher in the 4-year-old Koala program.

I began my journey in Early Childhood Education in 2018, and since then, I've been passionate about watching children grow, learn, and develop. It brings me immense joy to be part of their exciting and unique learning journeys.

I believe that the early years of a child's life are the most important, and that this time is a shared journey of learning—where both children and educators grow together.

I'm dedicated to creating a fun, inclusive, and nurturing environment that fosters both social and emotional development. By encouraging critical thinking and providing a variety of meaningful experiences, I aim to help children build the skills they need to thrive. You'll often find me having thoughtful and engaging conversations with the children, supporting their development in a way that values their thoughts and feelings.

I am excited to use my knowledge and skills to create even more enriching learning opportunities for all children.

Outside of teaching, I love reading, catching up on TV shows, going for long walks, traveling, and exploring different cuisines with friends.

I look forward to what the new year brings and can't wait to meet you all in the year ahead!
