

MEET THE Educator Daniela

Hello! My name is Daniela, and I am happy to be the Educator in the Echidna Room. This will be my third year at Renown, and I feel so lucky to be part of such a wonderful kinder community.

I'm married and have a son, Agustín, who will start prep in 2025. He has been fortunate to experience Renown through the 3- and 4-year-old kinder programs, and we've loved every moment. We also have a playful cat named Teddy.

I'm originally from Chile, and my first language is Spanish. I hold a Diploma in Early Childhood Education and Care, which I completed here in Australia. I've been working with children for over seven years.

What I love most about working with children is witnessing their growth and development each day. I enjoy dancing with the children, lots of outdoor play, and fostering their creativity and curiosity. Above all, I value creating an environment where children feel safe, loved, and supported—something I cherish deeply as a mother myself. Building meaningful relationships with families and the community is another aspect of my role that I hold very close to my heart.

In my free time, my family and I love going on hikes, exploring new places, camping, and spending time with friends.

I am so excited to get to know you and your children, and I look forward to a fantastic year together in 2025!
