

# Hi I'm Beth!

## About Me

My name is Beth and I will have the pleasure of working with your children next year. I have been working at Renown kindergarten for the last 5 years, I have worked in a number of different capacities in this time including kindergarten administrator, settling in the classroom and educator in the 3 y.o and 4 y.o rooms.

Before working at Renown I worked as a teachers aid with a child on the spectrum for 3 years at Kindergarten and primary school.

I am looking forward to meeting as well as getting to know each student. Kindergarten is a year of growing socially, emotionally, physically and intellectually and I feel privileged to be a part of this learning experience with each child.

I have two children at school age so my weekends are filled with taking them to sporting activities and when we are not doing that we love being active with skiing and mountain bike riding.

I look forward to welcoming you to the kindergarten
